Henrietta starring as Play Chick Bunny

When Henrietta received a phone call begging her to return to Las Vegas, she squawked at the opportunity and immediately packed her bags. She was tickled pink to leave retirement behind so that she could once again take center stage as the headliner in "The Wild Burlesque Chicken 2". Everyone is raving over her sold-out star-making performance where she is featured as the "Legendary Play Chick Bunny"...not to mention gossip about her new and improved enormously endowed bust line. What will she do next? She is a hand-painted, poly-filled latex dog toy. Lead Free!!

Introducing Earl

Earl was conceived in the back of an old pick-up truck in Memphis. Earl has never looked back at his less than humble beginnings. A legend in his own mind, he preferred to bask in the glory of his alter ego "Earlvis" between gigs at the now famous night clubs. He might be a hand-painted poly-filled latex toy Lead Free, but he can fart!

Meet the Squawkers™

Meet Henrietta

Raised on a quaint little chicken farm in America's Heartland, Henrietta showed a flair for performing at an early age. As an adult, she moved to Las Vegas with dreams of fame and fortune. She quickly took the town by storm and was cast as a genuine Vegas Showgirl. During her twenty year career she danced in numerous shows and even headlined the now infamous burlesque show Wild Chicken.

Now retired, Henrietta lives a quiet life, far from the Vegas footlights, in a swanky trailer park near Fort Lauderdale.

Jeff E. Coli

\$5.75ea
\$5.25ea/12

Meet our surfin' chicken-dude Jeff E. Coli, beloved off-spring of the flatulent show-stopping union of Henrietta and Earl, your favorite burlesque beauty and gas-passing gig-ster! Born ready to put the less-than-surftastic trailer parks of his childhood behind him, he was eager to hit the beaches with any waves he could get his long board on. So begins the story of our Jeff E. Coli! With a dog bone toy in his short's pocket, mirror shades on his beady eyes, and a "chick-a-bow-wow-bunga dude!" on his beak, he's ready for some barnyard-busting, squawking-good, gnarly hanging-five fun!!! Lead Free!

Captain Buzz

\$6.25ea/12

Meet Captain Buzz, the most notorious Buzzard to ever sail the seven seas. His lofty beginnings in the French Foreign Legion were foiled when he was cast out for devouring secret messages instead of decoding them! In search of new endeavors our Buzz was drawn to the docks and a seafaring life. Our sneaky scalawag sought out a schooner and headed for the open sea. With a peg-leg, a left hook, and a glint in his eye he stepped into the life of a plundering pirate. He now swaggers about showing off the skull and dog bones of a rat fink rival and now rules the seven seas! Let your pooch pals battle Capt. Buzz - a hand painted, poly-filled, latex, lead free, toy built for hours of pirate-play!!

Legend has it that the largest alligator ever trapped was more than 19 feet long and weighed close to a half-ton! Well, we have the one that got away! He's bigger and badder - meet our All-American Gator, "Tator the Dog-Lovin' Gator"! Weighing in at more than one ton and measuring a record-breaking 25 feet in length he goes down in our book as the über-gator! Born restless in a Louisiana Bayou he headed for his home away from home, the land of orange & blue, home of the Florida Gator Bowl, and the gator holes of Florida swamplands. Your dogs will love drawing "first bite" again & again with this durable, hand painted, poly-filled, latex, lead free, toy built for endless hours of gator-play!!
